# About your plan

**Who can apply for this plan** – People between the ages of two weeks and sixty four and a half years of age can apply for HumanaOne health plans. A dependent child must be less than 26 years of age to apply.

**Date the plan starts** – If you've had major medical coverage in the last 63 days, your start date can be as early as the day you apply. If you haven't had coverage in the last 63 days, you'll have two start dates:

- 1. Subject to approval, your plan starts on the day you request, with coverage for preventive care and injuries caused by an accident
- 2. Unless Humana agrees to an earlier date, your start date for sickness begins on the 15th day after the approved effective date of your plan.

# How your plan works

The details below give you a general idea of covered benefits for this plan and don't explain everything. To be covered, expenses must be medically necessary and listed as covered in the plan policy. A plan policy is the document which outlines the benefits, provisions, and limitations of the plan. Please refer to a policy for the actual terms and conditions of the plan. This plan also has limitations and services that are not covered. You should know about these. See page 5 for details.

# Add extra benefits to your medical plan

The following benefits are available to you at an extra cost.

### Dental

Protect your healthy smile with affordable, easy-to-use optional dental benefits from one of the nation's largest dental insurers. For a low monthly premium, you can use more than 170,000 network providers. And if you're approved for a medical plan, you're approved for dental benefits – just choose the type of coverage that meets your needs:

**Traditional Plus** includes coverage for preventive, basic, and major services. You can go to network or non-network dentists, but you'll pay less when you choose dentists in the network.

Preventive Plus covers the most common preventive and basic services. Visit HumanaOneNetwork.com to find participating dentists who offer discounts on these services.

### Term life

HumanaOne makes it easy to get peace of mind and help plan for a secure future for your family. You can apply for a health plan and term life insurance at the same time. If you are approved for your health plan, you will also be eligible for up to \$150,000 term life coverage. Term life insurance gives protection for a certain time, during which premiums stay the same.

# Supplemental accident

With this extra benefit, the plan pays a set amount per covered person for treatment of an accident, excluding prescription drugs, even before you've met the plan deductible. Treatment must take place within 90 days of the accident.

- \$1,000: Your plan pays first \$1,000 per accident at 100%, then plan benefits apply
- \$2,500: Your plan pays first \$2,500 per accident at 100%, then plan benefits apply
- \$5,000: Your plan pays first \$5,000 per accident at 100%, then plan benefits apply
- \$10,000: Your plan pays first \$10,000 per accident at 100%, then plan benefits apply

### Mental disorder

If chosen, this extra benefit replaces the mental health benefit in your plan. Mental disorders includes coverage for Chemical and Alcohol Dependence.

- > Day and visit maximums are for Mental Health, Chemical and Alcohol combined
- > **Inpatient:** Up to 30 days per calendar year per covered person
- > **Outpatient therapy:** Up to 48 visits per calendar year per covered person
- No waiting period
- > Plan pays in-network and out-of-network, same as any other illness

# **Consumer Choice Option**

If a provider you want to visit isn't in our network, you can nominate the provider. Providers must meet other criteria, so a nomination doesn't guarantee acceptance into our network. Additional premium charge may apply, depending on plan type.

To nominate a provider, fill out a Consumer Choice Option Provider Nomination Form and give it to the provider.

This form is available to you when you apply with us. Once the provider sends the completed form to us, we'll follow up with them and let you know the status of your nomination.

Insured by Humana Insurance Company and Humana Employers Health Plan of Georgia, Inc. or HumanaDental Insurance Company

Applications are subject to approval. Waiting periods, limitations and exclusions apply.

# Condition-specific deductibles (deductibles for certain illnesses)

This plan may include condition-specific deductibles, or CSDs, of \$2,500, \$5,000, or \$7,500 in-network (\$5,000, \$10,000, or \$15,000 out-of-network). CSDs allow you to get coverage for services that wouldn't be covered otherwise or would have a waiting period. The CSD applies to certain conditions listed in the policy. If you have any of these conditions before your coverage starts, you'll have coverage for these services - you just need to meet the separate deductible first. After you meet the CSD, your plan will pay for covered expenses related to the condition at 100% for the rest of the calendar year. Prescriptions used to treat the condition don't apply to the CSD.

# **Network agreements**

Network providers agree to accept an agreed-upon amount as payment in full. Network providers aren't the agents, employees, or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana doesn't provide medical services. Humana doesn't endorse or control your healthcare providers' clinical judgment or treatment recommendations. The policy explains your share of the cost for network and out-of-network providers. It may include a deductible, a set amount (copayment or access fee), and a percent of the cost (coinsurance).

When you go to an out-of-network provider:

The amount you pay is based on Humana's maximum allowable fee.

These charges don't apply to your out-of-pocket limit or deductible.

• The provider can "balance bill" you for charges greater than the maximum allowable fee.

#### When you go to a network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.

# Pre-existing conditions

A pre-existing condition is a sickness or bodily injury for which, during the five-year period immediately prior to the covered person's effective date of coverage: 1) the covered person sought, received or was recommended medical advice, consultation, diagnosis, care or treatment; 2) prescription drugs were prescribed; 3) signs or symptoms were exhibited; or 4) diagnosis was possible. Benefits for pre-existing conditions or any complication of a pre-existing condition are not payable until the covered person's coverage has been in force for 12 consecutive months with us. We will waive the pre-existing conditions limitation for those conditions disclosed on the application provided benefits relating to those conditions are not excluded. Conditions specifically excluded by rider are never covered. The pre-existing condition limitation does not apply to a covered person who is under the age of 19.
